THE CRUISE CARD

The Cruise Card given to you at embarkation serves as your personal ID, cabin key and "cruise credit card" for purchasing products and services on board. For security reasons, you must show your Cruise Card at the gangway each time you go ashore or return to the ship. If you misplace your card, please inform Reception - Guest service immediately. Your card will then be blocked for safety reasons until a new one is issued. On your card you'll find a number to call in the event of any emergency while you're ashore. Please do not store the Cruise Card near electronic or metal objects that may demagnetise it, such as mobile phones, cameras, credit cards or lighters.

TEEN CARD FOR FUN ONBOARD

The "Teen Card" is a unique, prepaid card designed exclusively for our younger guests. Children and teenagers under 18 can use the card to make small purchases on board to play all videos games on board, as well as using it as an access card for their cabin. These great value, easy-to-use cards are available in \$ 30 or \$ 50 versions, and come with additional bonus credit of \$ 5 (if you choose the \$ 30 card) or \$ 10 (for the \$ 50 card). To buy a Teen Card, just fill in the form you will find at Reception - Guest service (deck 5). The card will be delivered directly to your cabin.
