PORT INFORMATION

Portuguese Island, formerly known as Elephants Island was found 1545 by Portuguese hunters and traders who used it as their trading headquarters for Ivory. Today it's a deserted Marine Reserve with limited semi-permanent structures, natural beaches, dense vegetation and pleasant lagoons and it's primary destination for South African market itineraries.

DISEMBARKATION PROCEDURES

Please remember to show your Cruise Card at the gangway exit. We advise you to leave your passport on board for safekeeping.

**Suggested dress tonight
THEME PARTY: Tropical**

MSC SINFONIA Wednesday, 9 March 2016

**Welcome to
PORTUGUESE
ISLAND**
(Mozambique)

**TRANSFER TO PORTUGUESE ISLAND
GOING ASHORE TODAY? PLEASE READ ON...**

Please note that the MSC Sinfonia will remain at anchor today. Disembarkation will be carried out via a continuous **free tender service**, which will take you from ship to shore and vice versa. To use this complimentary service, please pick up your tender ticket number from **Manhattan Bar, deck 5, between 7:30 and 11:00**. After 11:00, you will be able to collect it from the Reception - Guest Service, deck 5. One family member may collect tickets for the whole family. Disembarkation with zodiac takes longer than the ordinary disembarking procedures. Therefore, to ensure a quick and smooth disembarkation, we kindly ask you to follow our instructions, please do not overcrowd the lobby on deck 5, but instead wait comfortably in any of the lounges or on the open decks until your tender ticket number is called over the ship's loudspeakers before proceeding to the gangway on deck 4. The duration of the disembarkation will also depend on weather conditions. Before going ashore you will need to produce your tender ticket together with the **indemnity form** that you received in the cabin (one form per cabin).

The first tender from the ship to the beach will be at 8:00.

The last tender from the ship to the beach will be at 12:00.

The last tender from the beach to the ship will be at 16:00.

These times may be changed by the ship's Command based on weather conditions as safety is always our primary concern. As disembarkation by tender is time-consuming, multiple trips to shore are discouraged. To ensure a speedy transfer, guests will not be brought back to the ship until all groups have been taken ashore. If you wish to spend a limited time ashore, please go after all numbered groups have left the ship.

EXCURSIONS

We kindly request that you depart the ship 1 hour before your meeting point; with your excursion tickets you have priority disembarkation.

IMPORTANT TO KNOW

CALLING ALL INDEPENDENT TRAVELLERS!

Today is your last chance to sign up for the "Self Assist" program. This allows you to leave the ship as soon as clearance is given by the local authorities in Durban. If you would like to be part of the program, please fill out the form delivered to your cabin and return it to the **Reception - Guest Service, deck 5 on the 9 March before 17:00.**

ENTRY VISA FOR MOZAMBIQUE

In compliance with immigration regulations, all guests without an SADC passport will be charged \$ 25 to their Cruise Card for the visa needed to enter Mozambique. SADC Passports include: Mozambique, Zambia, Zimbabwe, South Africa, Swaziland, Botswana, Lesotho, Angola, Malawi, Namibia, Mauritius, Democratic Republic of Congo, Tanzania and Seychelles. Please note: you do not have to take your passport ashore!

SUGGESTIONS REGARDING YOUR TRANSFER TO PORTUGUESE ISLAND

We suggest that you wrap cameras, etc. in plastic bags as the crossing may be wet. You will get off the zodiac in knee-deep water, so please dress appropriately, and wear flip-flops or sandals as the sand gets very hot. We advise taking a hat, sun cream, and a bottle of water. You can pay for souvenirs in US Dollars or South African Rands, but change is usually given in Meticals, which cannot be exchanged on board. Please take care when swimming as there are no lifeguards on duty. When re-boarding the zodiac, please sit where indicated.

CAREFUL WHAT YOU BUY!

We strongly advise our guests not to buy wooden products from this area as they may contain wood boring beetles, which can cause considerable damage. To protect local wildlife, please do not buy any turtle-shell or coral products.
